

# Kiln Car Furniture

- Kiln furniture provides the basis for uniform firing and therefore optimal product quality. Which includes: tiles, supports, pillars, kiln roofs and walls, and other related refractory products.
- Modern production technology enables us to manufacture thin-walled, lightweight, and high-temperature resistant kiln furniture, which depends on its design and the selected materials.
- ASFOUR REFRACTORIES has been offering our customers a wide range of refractory and insulation solutions to serve our Red bricks, Sanitary ware, and Tableware industry customers around the region.
- Our ability to offer quality and customized solutions has helped us set our footprints in the Red bricks, Sanitary ware, and Tableware industry.
